To Whom It May Concern

I am writing this letter in support of Tickle the Clown and Yowza's application to be included in the ArtStarts directory.

Last year they gave a two-hour presentation to the primary classes at Lake Hill School and were very well received. Their presentation was most informative and very enjoyable. While applying their make-up they spent the first hour explaining the history and evolution of clowning. This was followed by a magic show which totally enthralled the children and adults alike.

If you require further information to support the application please contact me at 479-2896.

Yours sincerely,

A handwritten signature in black ink that reads "Mary Nall." The signature is written in a cursive style with a period at the end.
